The Relay Carnival is history. We did very well. We tied with Islip Aquatics for a 7th place finish, which is an improvement over last year. All our swimmers did well. For some it was their first meet ever.

Some highlights:

10& U Girls Marisa Tutone-Jessica Freund-Isabelle Ripp and Julia Biviano 2nd place in the Breast

10&U Boys Joe Pedisich-Luke Antonucci-Joe Weinhofer and Vinny Budke 5th place in the Fly.

10 & U Boys Joe Pedisich-Luke Antonucci-Joe Weinhofer and Tim Cheng 4th in the Free

10&U Boys Brendan Beutel-Vinny Budke-Joe Monteverde and Leo Chen (First ever meet) a 4th in the Back.

13-14 Boys James Donlevy-Cameron Byrne-Connor Cassara and Kyle Beigay took a 4th in the Fly and a 3rd in the Breast.

It was also the first meet ever for P.J. Amato and Brian Drew and they did a great job.

None of the above or our place in the meet would have been possible without the great cooperation from our parents who gave up a BEAUTIFUL Sunday morning to travel into Nassau. Thank you all for your support. I want to thank Marianne Miller for the Super balloons. I want to thank my coaches who kept sanity in the chaos and made sure our swimmers were ready to go and, finally, our swimmers, who did a great job. Let us keep the trend upward going!

Again thanks to all of you

Mr. Scott
